LAFAYETTE, La. (Feb. 3, 2011) – [Devin International](#), a subsidiary of [Greene's Energy Group](#), has promoted Craig Latch to International Project Coordinator and Brian Meyers to Deepwater Operations Coordinator/Dispatcher, announced Frank Mathews, President of Devin International.

In his new role, **Craig Latch** has assumed additional responsibilities including international logistics, international sales and project management for the company.

“Craig has become well versed in Devin’s specialty equipment and rental tools and is a strong representative for Devin in international markets,” said Mathews.

Latch received his bachelor’s and master’s degrees in communications and marketing from the University of Louisiana at Lafayette. He is a member of the Intervention and Coiled Tubing Association (ICoTA), the Society of Petroleum Engineers (SPE) and Young Professionals in Energy (YPE).

As Deepwater Operations Coordinator/Dispatcher, **Brian Meyers** works to coordinate multiple aspects of incoming and outgoing jobs. He manages logistics, technical support and shipping details for all deepwater operations projects.

Richmond, VA ■ Salt Lake City
San Francisco ■ Washington, D.C.
Winston-Salem, NC

“Brian plays a crucial role in the organization and implementation of our customers’ projects,” said Mathews. “His success in this role ultimately provides for the success and customer satisfaction of Devin customers.”

[Devin International](#) is an industry leader in specialty equipment for both onshore and offshore markets, including motion compensation, coiled tubing support and surface equipment as well as an extensive rental tools supply. Devin is headquartered in Lafayette, La.

Greene’s Energy Group serves customers globally in [drilling](#), [production](#), [pipeline](#), [rig/platform construction](#) and process industries by offering tools and services to improve productivity and ensure safety, both onshore and offshore. Greene’s employs 600 people worldwide with its group headquarters in Houston and operations headquarters in Lafayette, La.
